

Join the National Marine Sanctuary Foundation & Help Protect Hawai'i's Humpback Whales

The National Marine Sanctuary Foundation (NMSF), is a private, non-profit, 501(c)(3) tax-exempt organization, created to assist the federally managed National Marine Sanctuary Program with education and outreach programs designed to preserve, protect and promote the nation's marine sanctuaries. Through its membership program, the Foundation relies on ocean conservation-minded people - like you - to ensure these underwater treasures last for generations to come.

HIHWNMS, NOAA Fisheries #782-1438

The NMSF supports the education, outreach, and research efforts of the Hawaiian Islands Humpback Whale National Marine Sanctuary (HIHWNMS). When you join the NMSF and designate the HIHWNMS as the sanctuary you would like to support, 50% of your membership supports the national program and 50% goes directly to the HIHWNMS. You will have the satisfaction of knowing that you are directly helping to ensure the continued protection of humpback whales and other marine species for future generations. As a member, you will receive a subscription to "Sanctuary Watch" - a quarterly newsletter filled with stories and photographs of what is happening in our nation's marine sanctuaries.

Please complete the information below to become a NMSF Member:
